Date: Friday, September 25, 2015 11:28:00 AM

Ken Rooney
Office of Senator Dianne Feinstein

Ken -

In follow up to our conversation yesterday, I wanted to provide you with a link to information posted on EPA's website regarding the Redwood City Salt Plant issue that includes a link to a PDF copy of a letter sent by EPA on March 18, 2015 to John C. Morrow Lieutenant Colonel, US Army Corps of Engineers.

Link to EPA Website on Redwood City Salt Plant:

I am also including a link to a 1989 memorandum of agreement between EPA and the Army Corps of Engineers (ACOE) which lays out the process by which EPA can move to take over determinations about federal authority on individual sites, entire regions or particular activities that includes the definition of a "special case".

If you have questions or wish to set up a call next week to discuss further, please let me know.

I will be out of the office on annual leave on Monday, September 28th and will be back in the office on Tuesday, September 29th.

Regards,

Brent Maier
